FACILITIES FIT FOR A PRO

DISCOVER WHY WE ARE THE UK'S FAVOURITE SMALL-SIDED FOOTBALL DESTINATION

Each of our clubs consist of a number of fully enclosed, floodlit football pitches and a fully licensed sports lounge.

We have developed ProTurf®, which is next generation synthetic playing turf. Exclusive to Goals, it's custom made for small-sided football with a higher density stitch rate meaning that allows for a natural flow and movement of the ball which ensures we can provide a consistently fantastic surface across EVERY Goals site.

The majority of our clubs have both male and female changing facilities, with showers and secure storage lockers. Don't worry if you forget your shin pads, every centre has a selection of retail products which can be purchased.

Afterwards, toast your victory or drown your sorrows in our sports lounge. We will have BT sports on the big screen and plenty of food options available for you to refuel.
