ABOUT YOUR LEAGUE

Confirmation of games:

Not only do we confirm the time of your next game on the night you play, we will keep you posted on WhatsApp and you'll also receive a text or email with your kick-off time the day before your game as a reminder.

Take your team and game management into your own hands by downloading the GOALS app to see your fixtures for the season.

How do you cancel?

If you ever need to cancel, please call us at least the day before the game (must be done via phone call only) – otherwise you'll be liable for the charge for the full price of the game.

What happens on the night:

Games must be paid in full prior to kicking off – receipt of full payment then needs to be given to the referee to start the game.

On the night your League Manager will be on shift, walking around watching games and free to speak to if you wish.

TRIAL GAME

THE RIGHT LEAGUE FOR YOU

OFF THE PITCH OUR LEAGUES ARE RUN BY EXPERIENCED MANAGERS AND ON THE PITCH BY SKILLED REFEREES

To ensure your playing ability is tested, without demolition, it's important that we find you the right league. League football provides you with many opportunities to play in different sized leagues. Just like the Premiership and Championship vary in size and season length.

With differing levels of ability you can book a trial game that gives you the opportunity to test your skills against one of our established league teams, from any division. Depending on the result, your League Manager will decide which division suits your team. Then it's up to you and your team to play your way to the top!

YOUR LEAGUE MANAGER

IT'S MORE THAN A GAME

Over the course of your seasons with us, our dedicated team will get to know you and your team. Our leagues are run like a community and we're here to ensure you have the best experience possible.

Each league will have a dedicated League Manager who you can contact to discuss your league results, highlights, and more with. On the night, your League Manager will be walking around the club, watching games, and ensuring the league is running smooth.

By joining a GOALS league, you give consent for your match to be recorded for marketing and promotional purposes. Your League Manager, or another GOALS representative may capture some of your best moments to showcase the excitement and spirit of the game on social media.

Each season we'll collate team feedback so that you have the extra opportunity to let us know how things are going. If something's not right for you, please let your League Manager know.

CHALLENGE LEAGUE AND CHALLENGE MATCHES

GETTING THE MOST OUT OF YOUR SEASON

Your game is always on at GOALS. Even when your opposition cancels, you still have a weekly game to maximise your football fix.

What is a Challenge Match?

No league game, no problem. We match you up with an opponent in the challenge match. The format is still the same as your normal league with league tables published online and on the app. When you play, top prizes can be won at the end of each Challenge Season (5 seasons per year).

You must play 3 games in the season to qualify for prizes. If you refuse a game at the same kick off time as your original League game, you will not get the 5-0 win.

RESPECT YOUR OPPOSITION

For GOALS, Fair Play embodies a number of fundamental values that are not only integral to football but relevant in everyday life.

Fair competition, respect, friendship, team spirit, equality, and respect for written and unwritten rules such as integrity, solidarity, tolerance, care, excellence and joy, are the building blocks of fair play that can be experienced and learnt both on and off the field.

Whilst playing in one of our professionally run leagues, you will be scored by our referees on fair play. This includes yellow cards, red cards, discipline, opposition respect and referee respect. At the end of each season, the team with the most points will have the chance to win some fantastic prizes.
